

1. OVERSEAS SELLERS.

Overseas sellers who need help with their plants entered for the auction on 9 September 2006 must please urgently contact either myself (Sakkie Nel), Koos Geldenhuys or Danie Botha who will gladly see to the potting and safe keeping of the plants.

Where plants have not been accepted for the live auction (you have been advised) please advise if such plants are still available for the silent auction. This info is urgently required (latest August 23 please) to allow other members to possibly enter their plants for the silent auction.

Please note payment to successful overseas sellers will be made in cash (SA Rand) by the Treasurer on Sunday 10 September 2006 at the Clivia Show.

2. RSA SELLERS

RSA sellers must likewise by 23 August 2006 advise if their rejected plants are still available for the silent auction. Furthermore for payment purposes to successful sellers we require your bank account detail (also latest 23 August) as payment will be made electronically to your account on Monday 11 September 2006.

3. All SELLERS

Sellers must please note that plants entered for both auctions must be benched by you or your representative from 13:00 to 15:00 on Friday 8 September 2006 at the Wilgers High School, Frank Street, The Wilgers, PRETORIA EAST.

A Commission of 15% of the selling price is payable by sellers to the Northern Clivia Club and will be deducted from the amount to be paid out. Where a plant is not sold due to the reserve price not being obtained, the seller will still be liable for 15% commission calculated on the highest bid received with a maximum of R300.00. Such a payment is to be made to the Treasurer directly after the auction.

4. ALL POTENTIAL BYERS
